

Call for Abstract

We cordially invite you to submit an abstract of original research, case report, and research proposal on all fields of Pathology and Cytology. Only original scientific material which has not been previously published or presented at a meeting will be accepted

Instruction for Abstract Submission

- Registration to the symposium is mandatory to be able to present the abstract.
- All submission must follow the instruction and advice on how to submit the manuscripts
- Each participants can only submit a maximum of 2 abstracts (as first author)
- The abstract must be written both in Bahasa and English language
- The abstract should be typed using Times New Roman font, single-spaced, formatted for A4 paper leaving margins of 2,5 cm (1 inch)
- Write your abstract in accordance to the Abstract Template
- Authors must submit their abstract to:
https://bit.ly/pit_pdspa_mataram2025
- Please write : [abstract registration number](#) (example : abstract 19-009-0026) in the subject of your email
- The committee will decide abstract that meet requirement for oral and poster presentation
- Please notice and follow the deadline:
- Deadline for abstract submission: **August 15th, 2025 23.59 WITA (UTC +8)**
- Authors notified of acceptance : **August 20th, 2025**

Abstract For Original Research

- Abstract should be no more than 250 words, summarizing the problem being considered and how the study was performed under the following headings:
 - Background: Address the background and rationale for the study
 - Objective: State the precise objective or study question addressed
 - Methods: Define the basic design, procedures, and/or setting in which the study was conducted

- Result and Discussion: Descript the result and the state argumentation
- Conclusion
- Keywords: Provides 3 to 5 words for indexing and type one space below the body of abstract Abstract for case report
- Abstract for case report should be no more than 250 words and contain the following headings:
 - Background : State the significance of the issue and importance of the case(s)
 - Case Description : Define the case(s) presented, pertinent attendant issues, histopathological features and ancillary testing if performed
 - Discussion and conclusion: State the argumentation why the case is unique
 - Keywords: Provide 3 to 5 words for indexing and type one space below the body of abstract

Abstract for Research Proposal

- The abstract should be no more than 250 words, summarizing the problem being considered and how the study was performed under the following headings:
 - Background: Address the background and rationale for the study
 - Objective: State the precise objective or study question addressed
 - Methods: Define the basic design, procedures, and/or setting in which the study was conducted

¹*Institution Name, City and Country (Times New Roman, Font 10, Italic)*

²*Institution Name, City and Country (Times New Roman, Font 10, Italic)*

Abstract body text (maximum 250 words, Times New Roman, Font 12)

Use the following headings:

For original research

Background/Latar Belakang:

Objective/ Tujuan:

Methods/Metode:

Results and Discussion /Hasil dan pembahasan:

Conclusion / Simpulan :

Keywords/ Kata Kunci:

For case report

Background/ Latar Belakang:

Case Description/ Deskripsi kasus:

Discussion and Conclusion/ Diskusi dan Simpulan:

Keywords/ Kata Kunci:

For research proposal

Background/ Latar Belakang:

Objective/ Tujuan:

Methods/ Metode:

Keywords/ Kata kunci:

NOTE: Table, figure, reference, and acknowledgement are not allowed to be written in any part of abstract.
